

## Dog Policy

### Picton TOP 10 Holiday Park

We love having your furry friend here, but we do have a few rules that must be followed to ensure the safety and comfort of all our guests.

Arrangements and approval to bring your dog into the holiday park must be made prior to your arrival.

- Dogs are only allowed on site when you are staying in a campervan or caravan.
- All dogs must be supervised by their owners and remain on a lead anywhere inside the park.
- Dogs are not to be left unattended at any time within the park grounds.
- Dogs must be quiet and not disturb other guests.
- Dogs are not permitted in any of our accommodation or communal areas.
- Please clean up after your dog and dispose of their mess responsibly.
- Maximum of two dogs allowed per site.
- Dogs that show any unwanted behaviour will be asked to leave.

If any of the above conditions are breached you may be asked to leave the park immediately without refund, and/or incur a fine of up to \$250.

If you are someone who lives with the support of an ***assistance/service dog***, then they are welcome stay with you anywhere in the holiday park. Your dog must be certified as an assistance/service dog by an approved organisation.

I have read and understood the Dog Policy and agree to abide by the terms and conditions set out whilst occupying a site on the premises. I understand that any damage incurred by negligence or bad behaviour may result in additional cleaning and/or labour costs as well as termination of my reservation without refund.
